Sir,

With reference to your letter no.

Sl. 1151

dated the 19th. August 1909,

Sl. Fin. 127-08-17

conveying certain observations regarding the
payment of allowances due to accountant
Ramabwamappa and clerk Ramakrishnakao on
account of the work they did in connection
with the settlement of the late Mr. Basappa
Wro's affairs, for the period subsequent to
February 1908, I have the honor to state that
the work of settling the deceased gentleman's
man's affairs, were, under the subsequent
orders of the Dewan not transferred to me.

within only a few days after it was handed over to the Deputy Commissioner of the Mysore District in March 1908, and this fact ^{have} I alluded to in my letter no. B. 93 dated the 6th July 1908 to Government in the General and Revenue Department.

2. The said two clerks have continued to be in charge of this work without any interruption ever since they were first put upon it in the month of July 1906. Till the end of February 1908, their services were being utilised in connection with the settlement of the Bakshi's debts as explained in my letter no. B. 64 dated the 6th March 1908; and thereafter they were required to attend more to the execution of the Conveyance Deed by Mr. Bhamappa Rao, son of late Mr. Basappa Rao in favour of Government, to the correspondence connected with the income from the several Estates of the gentleman, to the collection of the necessary data for the formulation of proposals regarding the future management of those Estates, and the handing over to the Deputy Commissioner, Mysore District, the bonds, Vouchers etc. with proper fees to for safe custody in the Treasury, in addition to doing of course, all the scriptory and other incidental work, in connection with the discharge of the remaining debts of the late Bakshi and his

his son

3.

It was with the main consideration that the services of these two officials will have to be kept on for a further period that I recommended the payment of monthly allowances to them at such modest rates mentioned in para 3 of my letter no. B 64 dated the 6th March 1908. I have repeated this recommendation in the marginally noted references to Government. It was never meant that a lump sum of Rs. 390/- being the accumulated allowance due to these clerks up to end of February 1908, sanctioned in Govt. pro. no. $\frac{H. 1300-1}{87 77-07-10}$ dated the 8th September 1908 was an adequate remuneration to them for the work they did till then and for all the work they were to do thereafter. I fully endorse that their work connected with the clearance of encumbrances of private parties on the properties of Mr. Basappa Rao as well as the placing of their prospective income on a proper footing was arduous and exacting, and in this they applied themselves very willingly and diligently to my great relief. The work regarding the settlement of the late Mr. Basappa Rao's affairs is well nigh brought to a close; and the final report to Government is under preparation

Jill

R

B93 dated 6-7-08

B96 " 17-8-08

S

Till this report is submitted and the files of correspondence etc. are all sent over to the office of the Deputy Commissioner, Mysore District, the said two clerks will have to continue. But as already intimated in my letter no. B. 153 dated 27.7.1909, they cease Q to draw any allowance from 1st. May 1909.

4. As for the allowance due to them up to end of April 1909, amounting to Rs. 810/- which the officials are fairly entitled to and the payment whereof has been accepted by Mr. Bhamappa Wro, son of late Mr. Basappa Wro in his letter dated the 8th. P August 1908 (forwarded to Government on 17.8.1908), and in the accompanying bill dated the 5th May 1909, the difference between the said amount and the amount of Rs. 390/- paid already towards the same under the Government order of the 8th. September 1908 has since been partly disbursed from the surplus available out of the amount of loan sanctioned for discharging the late Mr. Basappa Wro's debts and the remaining claims of the officials will have to be settled. It will be seen that the payment of an allowance of Rs. 810/- for the ~~ex~~ clerical Establishment having had to deal with transactions amounting to Rs. 3,90,000 re-

represents the amount payment of about .02 per cent, and ^{that considering} that the said establishment had had to deal besides, with accounts of receipts amounting to between 6 to 8 thousand Rupees net, per year, the said payment may ungrudgingly be made.

5. In these circumstances, I solicit the formal approval of Government to the payment of the arrears of allowances in question
